

The Drink Dispensing Backpack

Our range of hot drinks dispensing backpack covers all the possibilities you could wish for. From luxurious hot drinks with tempting syrups and chocolates to fresh leaf teas and coffee straight from the bean to the cup - you'll find a vending machine to suit your needs.

We know that access to high quality hot drinks in a study is essential, which is why we only have vending machines that guarantee customer satisfaction. You can serve a range of hot drinks backpack that compete with any coffee machine - from freshly ground to instant, including espressos, cappuccinos, hot chocolate and tea.

Why choose Express Vending?

Ours not only offer a wide selection, they are also available in a variety of sizes and styles. From a standard coffee maker to a small compact drink dispensing backpack machine, you're sure to find one that suits your space perfectly.

We supply a wide range of office hot beverage vending machines. Whether you are looking for table coffee machines for conference rooms or stand-alone vending machines for the entire office.

We make sure that all requirements are met, from the luck of the first sip to the style of your installation - just contact us to find out how.
